

School Supply Drive

Each year, with the help of our community, the Boys & Girls Club of Dane County prepares more than 500 children to start school with a backpack filled with new school supplies. Realistically the only difference between successful students and mediocre students in Dane County is having basic supplies to do homework and participate in class.

how you can help:

- Host a supply drive at your workplace
- Make a financial donation
- Volunteer to help with inventory

School Supplies

Filler Paper

Notebooks

Rulers

Glue Sticks

Pencils

Crayons

Markers

Pens

Highlighters

Folders

Erasers
